Rough sketch

I failed the entrance exam for a public high school, so I had to go to an all-girls private school instead.

[boy friend]

As a reward, I shall give you a kiss! ❤

And so
I made my
classmate
Yuuko-chan
my
"boyfriend".

On the first day, we lined up by student number. Yuuko-chan happened to be right behind me.

yawn

She's tall and has short hair, so my first thought was that she looked kinda like a boy.

I, on the other hand, am more like a little sister you want to spoil.

I split up with my boyfriend from middle school,

not because the spark had gone out, but because I wound up going to an all-girls high school.

I absolutely couldn't imagine my life without my boyfriend.

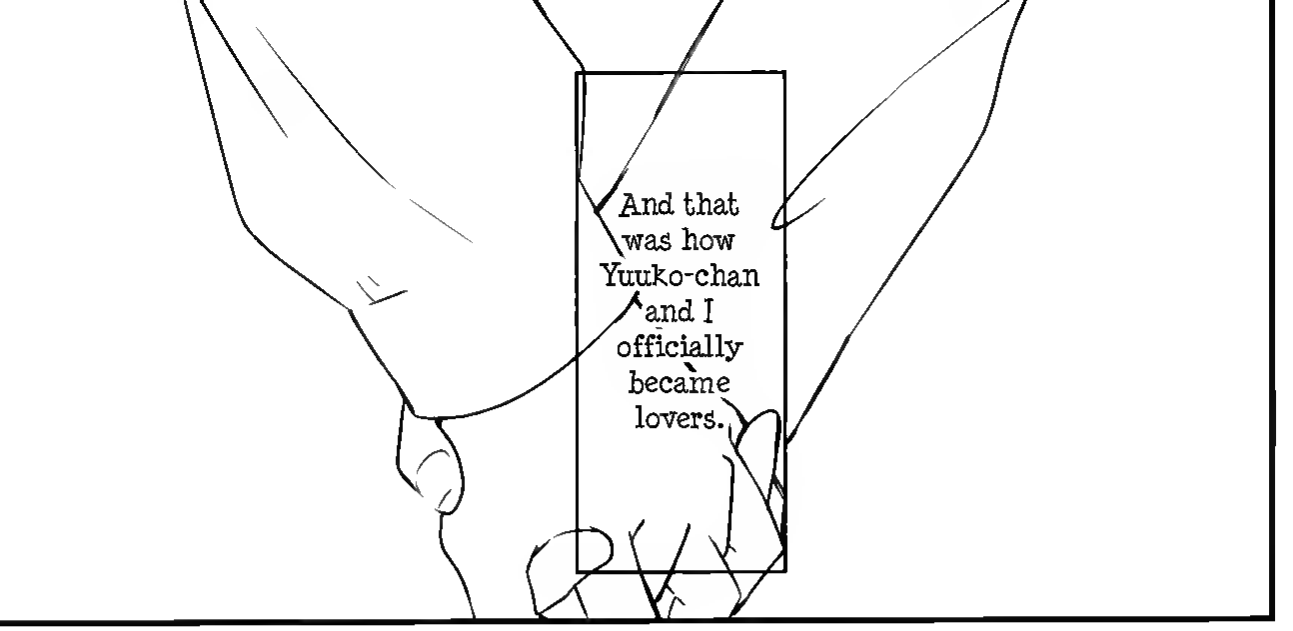
I can't stand being in a long-distance(?) relationship.

so going to different schools was a dealbreaker

turn away

shriek
shriek
She's here
Yuuko-chan is super popular, both in our class and with other classes as well.
She's quite popular among our senpais as well
And that was when I saw Yuuko-chan.
I was on the verge of losing it without a boyfriend.
I'm bored!"
I'm lonely"
I want skinship!"
?
Even though she was talking to me just now...
and I really hated the fact that Yuuko-chan was constantly surrounded by squealing girls.
Yuuko-chan!

Be my boyfriend!
So I went and asked her.
Okay, sure thing!
Yuuko-chan agreed without a second thought.
It's fine if it's you, Risa
Oh, that was really direct huh?



And that was how Yuuko-chan and I officially became lovers.

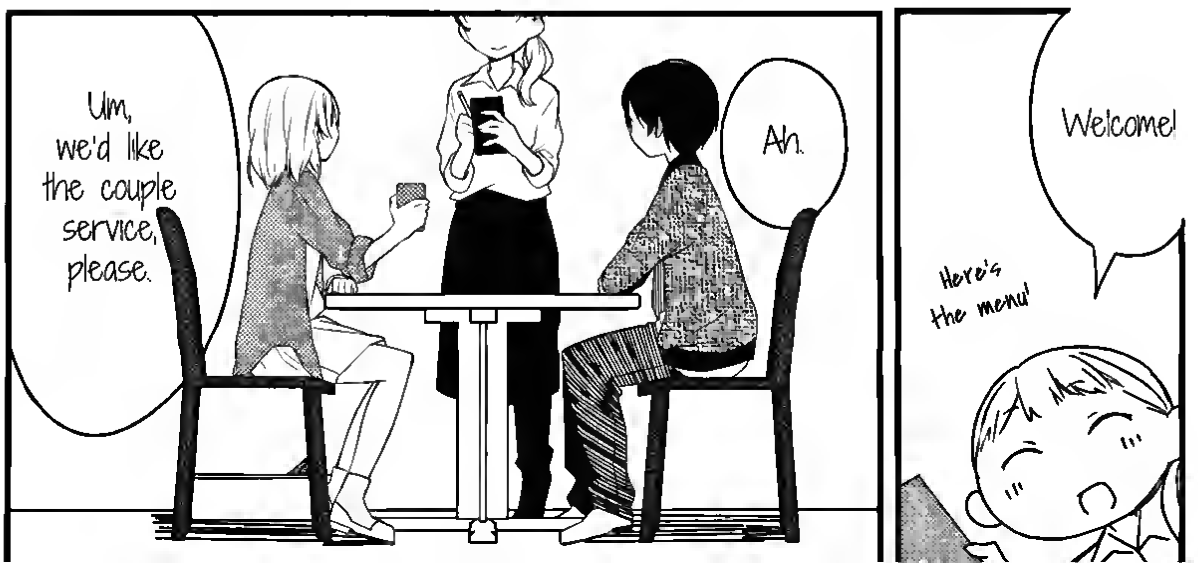
BURN
Yuuko-chan, let's go here!

This place apparently does a special deal for couples on the weekend!
It says here that couples can have a piece of cake for free!♡
Cafe bell
Very popular♡ special service for couples! A free dish from these selections for couples coming in on the weekend!
Huh...
But I doubt they'll think we're a couple if we go there together.
I guess so.
Yup, yup! ♡
Well then, we'll meet up in front of the station at 11 o'clock tomorrow!
It's fine, it's fine!
I'm sure you'll look like a boy when you dress casually, Yuuko-chan!

南口 (South)
北口 (North)
Sorry for making you wait, Yuuko-chan!
It's okay, I just got here myself.
Awww, you're way too nice, Yuuko-chan!

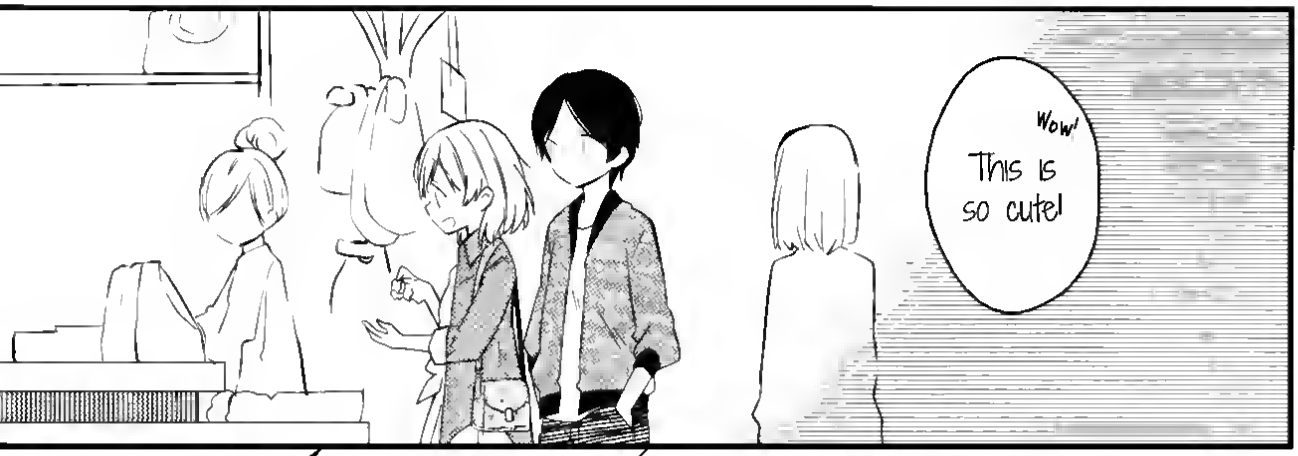
You look like a real guy!
Thank goodness that I actually had the right kind of clothes for this.
...Right? I thought so, too.
I have to say, you look really cool like that!
Ahaha
What are you saying?
cling
I've fallen for you all over again!



Um, we'd like the couple service, please.
Ah.
Welcome!
Here's the menu!

Okay then, which cakes would you like?
BADUMP BADUMP BADUMP BADUMP
So, the special deal for couples it is..
See? The waitress didn't even notice.
Yes
Excuse me!
Um... Risa...
Yes?
mutter
Hey, is that a girl?
Nah, it's a guy, right?
But didn't she say "Yuuko-chan"?
I knew this would work, Yuuko-chan!

Oh! This looks pretty good, too!
Aren't I supposed to be your "boyfriend"?
Um... It just happens somehow?
Risa, why do you always add "chan" after my name?
Here're the cheesecake and strawberry tart
Sorry about the wait!
It just happens somehow?
Hmmm
Wow! It looks delicious!
clink
.....



Wow!
This is so cute!

1500 yen for the hairband! It's way too expensive...
Ugh.

Just give it here.
It's fine, it's fine!
Eh?! No it's okay!

Want me to get it for you?
Hmm.. What should I do...?

It's fine. I want to buy it for you. It looks good on you, after all.
Bu-... But.....

I love you, Yuuko-chan!
Okay, okay!
Your total comes to 3240 yen.

...Yes. I'd like one for myself as well.
Huh? Two of them?
What? You're going to wear this, Yuuko-chan?
This hairband?!
I was thinking it'd be nice to wear it on my wrist...
Oh! That's a good idea!
Now we're a pair! ♡
Thank you for your patronage.
Okay!

Ta-da!
Heheheh..
That way of laughing
Say, would this look good on me?
clink

tap...
Huh? Yuuko-chan?
Where did she go...?
uh
I'm not here alone, we just got seperated for a bit.
You here alone? Are you free after this?
Ugh...
They're trying to pick me up
Risa...
I had to walk away for a sec.
Tsk! So annoying!
You're probably just saying that, right?

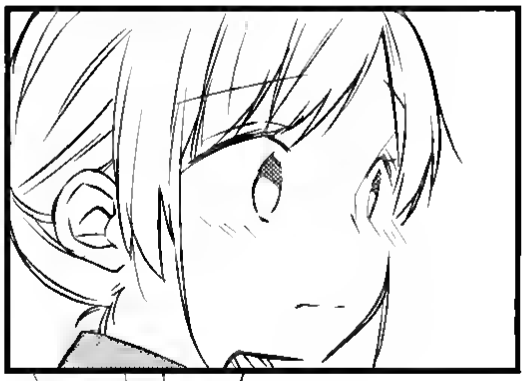
I'm here with my boyfriend!
Eh...? Is that so?
Ah! Yuuko-chan!
This here is my boyfriend! Goodbye!
Let's go, Yuuko-chan!
Boyfriend...?
Huh...?
tap
tap
tap

pant
pant
Whew... We finally got away.
Wait, where are we now?
I'm sorry to make you run with me, Yuuko-ch-...
Huh!?

Wai-...! Yuuko-chan?!
What are you doing?!
Is this a joke?
If that's the case then it's way too funny...
Does it look bad on me?
Something so girly...
Eh...
Um...It's because... You know, Yuuko-chan, you are...
I'm a girl, too, y'know.

No matter how hard I try, I'm still a girl, okay?
Risa... Do you love me?
Of... Of course...
Yuuko-chan...
As a boyfriend?
At first... I thought that anything would be fine as long as I can be Risa's lover.
But. that's not the case, is it?
I'm not sure exactly who you love anymore.

I... love you, Risa.



...Sorry for saying stuff like this. It must be hard for you to hear.

I'm happy that I was able to become your lover, Risa.
But I just really want to become your girlfriend.
I wish I didn't think this way
You can throw that away if you want.
It'd be so nice if I was a man
Honestly...
Goodbye
.....

I didn't mean it like that!!!

Yuuko-chan, it's because you really don't look like a girl at all...!
No...
Sorry...
But you really are very handsome, Yuuko-chan.
I've always wanted to ask if I could call you "Yuu-kun" instead...!
uuu...
.....

But if I didn't keep calling you "Yuuko-chan", then I'd really start to love you as a man!
Right now...
And that's why you're my boyfriend!
I'm in love with you, Yuuko-chan. But I can only see you as a boy...
Risa...

Right now...
I'm honestly not confident that I can see Yuuko-chan as a girl...

That's why, to start with,
I understand, that's why-...
...I guess you're right.

you need to grow out your hair so that you can wear all kinds of girly things.
Eh?
I've thought about this for a while already. Yuuko-chan would look really pretty with a little bit of makeup.
What are you saying?
Wai-... Wait, what's going on...
I've always felt this way
You have good style, so it's weird that you're like this... But I just couldn't say that out loud.
Sorry.
Are you looking down at us girls or what?
Honestly, if you want to look like a girl, you need to care more about your appearance, Yuuko-chan!
Huh?
Risa...
...But...
If you can do all that

then I can start seeing Yuuko-chan as a girl!
blush
And I can see you as my girlfriend!
.....You know,
grab

uuu
sniff
the fact that I'm in love with you won't ever change!
You idiot!
Risa...

Thank you.

I thought I did a really good job at work, but I never got any kind of reward.
...Is that so?
...So a while back
Geez! Don't play dumb!
...You seem to be much more nervous about this than back then. I wonder why, hmm?
Welcome back!
Couple Service!
Come in as a couple and get a free piece of cake as a present from us!
giggle
giggle
What are you implying?
I should be asking you, Yuuko, I don't know what you're talking about
Welcome! It'll be just the two of you, correct?
elcome

Yes.
We would like the special deal for couples, please!

Shima Note : I think this includes the せ乃アメく nuance a little better. Maybe " so I had to fail back on " or something similar if you want to emphasise it a little more
